

KHATE R. SILVESTRE

Xero & QBO Bookkeeper | Bank Reconciliation | Financial Reporting | Xero Certified Associate | QBO ProAdvisor
ksilvestresvp@gmail.com | +639760774925 | Quezon City, Philippines | khatesilvestre.github.io

PROFESSIONAL SUMMARY

Xero and QuickBooks Online Certified bookkeeper with formal accountancy education and hands-on experience in transaction recording, bank reconciliation, VAT management, and financial reporting. With nearly two years of experience supporting US-based healthcare clients in a remote work setup and ongoing freelance bookkeeping experience, I am actively building a bookkeeping career focused on delivering accurate, reliable financial support to international clients.

XERO BOOKKEEPING PROJECTS

Project 1: Basic Bookkeeping (Khatе Practice Co.)

April 2026

- Recorded owner investments, sales invoices, supplier bills, and operating expenses in Xero
- Categorized revenue, COGS, and expenses across proper chart of accounts
- Generated balanced Profit & Loss and Balance Sheet with all entries reconciled

Project 2: VAT & Financial Reporting (Khatе Trading Co.)

April 2026

- Processed sales and expenses with 12% VAT; tracked input and output VAT correctly
- Created invoices, supplier bills, and handled partial payment scenarios
- Generated financial reports reflecting accurate VAT liability on the Balance Sheet

Project 3: Real-World Scenario (ClearBooks Co.)

April 2026

- Managed unpaid invoices, partial payments, and accounts receivable tracking
- Recorded owner withdrawals as contra-equity and reconciled all bank transactions
- Produced balanced financial statements with correct cut-off date treatment

PROFESSIONAL EXPERIENCE

Bookkeeping Assistant (Freelance)

February 2026 – Present

Self-Employed | Civil Engineering & Land Development Firm

- Processed supplier invoices for land development projects using a proprietary billing platform, ensuring accurate and timely submissions for client payment processing
- Maintained organized billing documentation and financial records for each transaction

Healthcare Customer Service Representative

Sept 2024 – Feb 2026

Optum | US Healthcare | Inbound & Outbound Calls | Remote (WFH)

- Managed high-volume calls for US-based healthcare clients with strict compliance standards
- Maintained accurate records and supporting documentation with meticulous attention to detail, ensuring data integrity across high-volume transactions

Telecommunications Billing & Plan Support

May 2024 – Aug 2024

Alorica | Live Chat Support

- Assisted customers with billing inquiries, plan changes, and account-related concerns via chat
- Handled multiple concurrent sessions while ensuring accuracy in billing details
